

MAINLINE STEAM HERITAGE TRUST

Restorers and Operators of Mainline Steam Railway Locomotives

Workshops in Auckland, Wellington and Christchurch.

Mainline Steam c/o 46 Patiki Road, Avondale, Auckland 1026

Mainline Steam operates steam hauled excursions and charter trains New Zealand wide. To support this operation we need people to join our band of volunteers. We welcome people of all ages and from all walks of life as members so don't be shy about joining. Whether you want to be "hands on" or an "armchair" member the choice is up to you. Mainline Steam is a continually evolving organisation that values input from its members to help it flourish. This is your chance to become one of a growing number that have discovered the thrill of steam.

We publish a newsletter three to four times a year that tells you about the happenings around the depots along with articles on other items of interest. You can also keep up with all the news on our website www.mainlinesteam.co.nz and we are also on Facebook.

We have three membership options.

- **Full** membership gives you hands on at the depot and training for safe working practices and the chance to be involved in the operations.
- **Associate** is for those that want to support Mainline Steam but not be involved physically. You still get the newsletter.
- **Family** is just what it says. The economical way for a family to be involved. It is the equivalent of a full membership.

You can email us at michael@mainlinesteam.co.nz
